

3/10 Inglewood Place NORWEST NSW

5

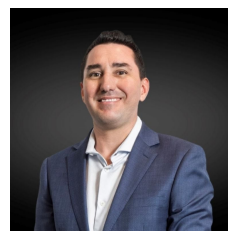

Functional Warehouse in Norwest

This 251m² pure warehouse is located in the Norwest Business Park, a highly sought-after commercial area in Sydney, Australia. The warehouse is situated in close proximity to the Norwest metro rail station, providing convenient transportation options for employees and customers alike.

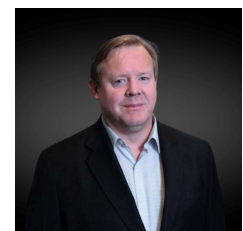

The warehouse features excellent truck access, making it easy for goods to be loaded and unloaded efficiently. Additionally, there are no offices within the warehouse, allowing for maximum use of the available space for storage and distribution purposes.
